**Attachments:** Woolsey\_fire.pdf

**This is a message from the California Regional Water Quality Control Board, Los Angeles Region (4).**

Please see the attached general safety message from CalFire regarding precautions that should be taken due to anticipated debris flow and mud during upcoming storm events following the Hill and Woolsey fires in the Los Angeles Region.

Also note that as more information becomes available on post-fire assessment and recovery efforts, the Los Angeles Water Board will be updating its webpage at
